## Mission Statement

The International Clarinet Association is a community of clarinetists and clarinet enthusiasts that supports projects that will benefit clarinet performance; provides opportunities for the exchange of ideas, materials, and information among its members; fosters the composition, publication, recording, and distribution of music for the clarinet; encourages the research and manufacture of a more definitive clarinet; encourages communication and cooperation among clarinetists and the music industry; and encourages and promotes the performance and teaching of a wide variety of repertoire for the clarinet.

To these ends, the association is dedicated to fostering communication and fellowship of clarinetists on a worldwide basis through publishing a quarterly scholarly journal, *The Clarinet*, producing an annual clarinet festival, ClarinetFest®, supporting a research library with materials available to all members, and promoting a variety of other endeavors related to the clarinet and clarinet playing.
